2025/26 School Year Theme Text

Now glory be to God, who by his mighty power at work within us is able to do far more than we would ever dare to ask or even dream of, infinitely beyond our highest prayers, desires, thoughts or hopes.

May he be given glory forever and ever through endless ages because of his master plan of salvation for the Church through Jesus Christ.

Ephesians 3: 20 - 21

The music program at Bermuda Institute continues to be a vibrant and essential part of school life, offering students opportunities to grow both musically and personally. Through choir, band, and classroom instruction, students develop their talents, discipline, and confidence while learning to work together as an ensemble. Whether performing at school programs, churches or community events, our BI musicians proudly represent the school and enrich campus life with creativity, dedication, and joy.

Did you know?

"Sing to Him a new song; play skillfully, and shout for joy."
Psalms 33:3

ART

The Bermuda Institute art curriculum integrates visual arts with Christian values, focusing on God as the Master Creator to foster aesthetic appreciation, creativity, and spiritual reflection.

Our students from Pre-Kindergarten to Grade 12 continue to thrive. Here's what our elementary students have to say about their art class.

You can use your creativity to make beautiful pieces of art

Caleb

You can create whatever you want and it could be any style and even if it's messed up it still looks good because its creative

Chanz

I like the warm colors and cool colors and it gives a contrast

Anil

Our Senior class is nearing graduation. Let's come out and encourage them.

To help every student thrive academically and spiritually, we encourage a learning environment free from unnecessary distractions. Games and mobile phones often pull attention away from lessons, relationships and personal growth.

We ask parents to support our efforts to minimize phone and gaming distractions so your student can be ready to learn each day.

Professional Development

Professional development helps to equip our teachers and our staff with strategies, tools and insights that strengthen classroom instruction and improve student outcomes. Bermuda Institute's investment in our faculty and staff benefits their growth and ultimately benefits our students. Here are two of our recent facilitators.

Dr. Gina Spivey-Brown
President Oakwood University

Building Lives for Eternity

BI Day provides a special opportunity for our students to lead worship services at one of our Seventh-day Adventist churches. From singing and prayer to sharing the children's story and delivering the sermon, our students joyfully use their God-given talents to serve and inspire others through worship.

On Sabbath, January 31, at the Devonshire SDA church, three young men delivered the sermon and shared their love for God.

Na-Zuri Hayward and Lanir Smith
